

## 60 Something & Still Rollin'

RHS Classes of 59, 60 & 61

Reunion

**Reunion Postponed until 2021**

Dearest RHS Regent Family Member,

Because of the Coronavirus Quarantine we must wait until 2021; still looking forward to being together again.

Our Reunion will take place at the Airtel Plaza Hotel; date to be determined when the Covid-19 horizon looks clearer. You will be notified as soon as the date is set, which could be a year from now and I hope not that long.

If you'd be interested in spending more time together after our reunion, our cruise will also be rebooked to take place in conjunction with our reunion.

If you had a room booked at the Airtel Plaza you probably received a cancellation notice recently. What happened is the City of Los Angeles is using the hotel for employees and decided to book the entire hotel through the end of this year.

***If you've already registered for the reunion, thank you, you're still on the list and I look forward to seeing you when we're able to finally get together. It might interest you to know that our list of attendees has grown since the shutdown.***

Be sure to check our website periodically for any news or updates [www.reseda-regents.com](http://www.reseda-regents.com). Look for books that have been written by classmates.

We so look forward to seeing you as soon as possible. Until then wishing you continued endless good health and joy.

Warmest hugs,

Alisa (Soltes) D'Alessandro
